NEW MANAGER

Henry Combe, smiling young business executive comes to the Daly City theater this week as manager. Former popular manager, William Smeltzer, has been transferred to Golden State's Noe theater, San Francisco. See story in column 2.

Gambling Proves Unprofitable For Four

Gambling proved to be an unprofitable business as the four men, arrested by Daly City police, Friday April 25, were given a stern warning and fined \$100 each in Judge Wade H. Clay's court, Friday. Standing before the judge and sheepishly pleading guilty of running a gambling den behind a Colma Barber shop were: Primo Venturi, Jack Fox, both of San (Continued on Page 2)

Confessions Clear Up Two Local Mysteries

Two long-standing mysteries were cleared up this week when one of the two San Francisco boys who last week confessed to several Daly City robberies, admitted robbing "Goodness! Candy Store" last March, taking \$68, and pilfering candy and gum from the Daly City theatre a year and a half ago. The boys were caught by Chief of Police James G. Reardon after they attempted to sell cigarettes they had stolen. They confessed to breaking into Joe's market, Sordell and Raffo and the Daly City Cut Rate market.

Daly City Theatre Gets New Manager

It's a tradition of motion picture houses to keep men on the move. Thus William Smeltzer, popularly known in this community as "Bill," was transferred from the Daly City theatre this week to the Noe theatre, San Francisco. During the past four years Smeltzer has been here, local people have admired his genial hospitality at the theatre and have often expressed appreciation for the cooperation he has extended to organizational and civic activities. Coming highly recommended to the Daly City as new manager is Henry Combe, former assistant (Continued on Page 7)

Lions Club Receives Charter At Dinner Meeting

"Charter Night," the official ceremony launching the Daly City-Colma Lions club into a career that promises to be a brilliant one, was held, last night, at Lake Merced Golf and Country club, starting at 7:30 p. m. The South San Francisco Lions club was the sponsor.

The 37 charter members of the new service club and their wives and friends, heard as the main speaker Foster G. Dyer, past president of the San Francisco club, who spoke on "Lionism."

After the group had sung "America" and "You and I," led by F. Erickson, the welcoming address was given by John J. Fahey, mayor of Daly City.

Launch Annual "Clean-Up Week"

Just like a conscientious housewife, who gives her house a good cleaning every Spring, Daly City and Colma will start their fifth annual "Clean-Up Week" next Monday.

This program is sponsored by the local health office under Fred A. Collins, deputy health officer. An appeal has been made to the residents of Daly City and Colma to abide by the instructions issued by the Daly City health department.

"If everyone cooperates as well as they have in the past," said Col (Continued on Page 7)

To Honor Pioneers At Park Dedication

The principal feature of the Park Dedication ceremonies, Sunday, June 8 will be the recognition of the pioneers, the "Old-Timers," of Daly City, according to Councilman Henry Sundermann, chairman of the Park Dedication committee.

Bodien Makes Report On April Building

Building and improvements on property in Daly City during the month of April were valued at \$36,855, according to A. J. Bodien, building inspector.

The extent of building was not as great as had been anticipated, but part of this according to Bodien, may be attributed to the naturally irregular fluctuations of building activity.

There were four five-room residences erected, one six room residence, one store at Crocker and Mission and two apartment houses.

Everybody's Going Are You?

Everybody's coming! Where? Why, to the Old Timers' Dance, of course. This popular annual affair will be held Saturday evening, at Colombo hall, Colma.

If you like to dance—and who doesn't?—if you like to have a good time—and who doesn't?—just get out your old clothes and come to the Seventh Annual Fireman's Ball.

It is promised by general entertainment chairman, A. P. Chesney, that if you don't have a good time it's probably your own fault.

Not only will the dance cheer you up, and keep you happy, but it will also soothe your conscience. Funds collected through the sale of dance tickets will be used to support the Widows and Orphans association of the Daly City Fire department.

The affair does not require you to dress up. Old clothes will be the thing. The worst dressed persons will be considered the fashion plates of the evening.

The music for the dance will be played by Johnny Dell's union orchestra.

There are still tickets available, but all those intending to come are urged to get their tickets soon, to be sure of admission.

Communication To Council Explains Need For Modernization Of Equipment

In support of the bond issue to raise funds for the improvement of the Daly City Fire department, the Board of Fire Commissioners, in a communication to the Daly City council, states that the growth of Daly City in the past ten years has necessitated an improvement in the Fire department.

According to A. P. Chesney, fire chief, attention of the fire department was called to their out-of-date equipment by the National and Pacific Coast Board of Underwriters. The board presented the fire commissioners with a list of apparatus, equipment, houses, and other items that it was thought Daly City needed.

Upon this basis the fire commissioners spent considerable time in investigation and estimation,

and ultimately decided on the plan now proposed, involving the bond election. The bond issue will be for \$40,000.

In the words of Chesney, "This plan calls for the replacement of the old, almost useless and dangerous apparatus that is now in use."

According to the fire commissioners' communication, the truck belonging to Company No. 1, used as first aid truck and fire wagon, is in very bad shape. It will be replaced by a new truck fitted as a first aid ambulance, salvage truck, and light wagon.

The truck in Company No. 2 was built, states the communication, in 1917 as a seven passenger touring car. When purchased by Daly City (Continued on Page 12)

Up In The Air!

Stewardesses Betty Campbell, left, and Mary Beth Snyder utilized a new method of going aloft when they climbed aboard the huge steam shovel which last week broke ground at San Francisco Airport for the new million dollar United Air Lines office building, repair shop and hangar.

The Airport swarmed with workmen as actual construction began on the new million dollar United Air Lines maintenance base that will make this the focal point for the company's entire far western operations.

Create Advisory Board To Aid On Questionnaires

An Advisory board has been created to give assistance to drafttees who have difficulty in answering all the queries on the questionnaire, it was announced by Mrs. Isabelle Flynn, clerk of the local district draft board.

This has been done at a moment when questionnaires are being sent out faster than ever before—fifty a day—and the demands on the draft board personnel are heavy.

The board has been ordered to continue sending out the questionnaires until all eligible men have been contacted. The questionnaires will be exhausted about the first week in June, according to Mrs. Flynn.

Any of the following members of the Advisory board will be glad to assist any draftee puzzled about his questionnaire. They are available at their places of business during the day. Those in South San Francisco are: G. W. Holston, chairman, 741 Grand avenue; H. F. Hart Western Pipe and Steel company; R. N. Murphy, Metropolitan hotel; A. J. RECORD BOWLING TOURNEY

Central Girls Win One Over Jew Town

Nobody thought they could do it, but they did it.

The girls from Central Creamery, who had been taking it on the chin regularly up to then, snatched one game out of the three they played with the mighty Jew Town boys, Thursday night.

Jew Town began in their usual form and won the first game 917-753; in the second clash they were topped by four points, 793-789; and in the third they went back to their winning ways, 814-592. Biggest aid to Central Creamery's cause were Von Anderson and Lena Gamba, who scored 492 and 500 respectively.

Losing one out of three, however, did not seriously affect Jew Town's first place position. They have won 19 and lost 5, and are still one and a half games ahead of their nearest rival, Hilltop Lodge.

Hilltop tightened their grip on second place with a triple triumph over the weakening Alert Van team. The scores were 830-588, 846-647, and 838-807. Linhares of Hilltop bowled a sizzling 550, followed closely by his team-mate Rosset, who scored 542. Every man on the team bowled better than 500 except Boskey, who spoiled his record with a third-game 94.

Hilltop is now a full game ahead of Bank of America and Hammar's Station, both of whom were idle last week.

Mission Bell took another jump in the standings last week when their opponents, Daly City Photo, failed to turn up and forfeited three games. Having now won 15 and lost 9, Mission Bell has a chance to force its way past one of the four leaders, Jew Town, Hilltop, Bank of America, and Hammar's Station.

The other game played last week found the improving Stockton Lumber team defeating the Independents 2-1, in a close match. Stockton passed Alert Van to go into seventh place, two games behind.

Victoria Taylor from Commerce high school, rated an excellent diver, will also perform.

Demonstrations of life saving will be given by Byrne, Eason, Claussen, Hahn, Miss Putnam, Shirley Jones, Edna Padge, Miss Jobsen, Miss Falbo, Arthur McCrystle, Clayton Underhill, John Mosman, Stanley McCann, and Beverly Wadiker.

Bessie Pastrikas will be in charge of the style show, and Nancy Battaglieri in charge of the ballroom dancing which is part of the setting.

Members of the faculty helping out are Dante Lembi, in charge of music; Durant Moseley, decorations; Sigfried Hansen, dramatics; and Miss Marjorie Robinson, programs.

The swimming is under the direction of members of the physical education departments: Louis Tsoutsouvas, John Matthews, Albert Biggs, Miss Juanita Young and Miss Ella Redkey.

The plot of the pageant concerns a resort owner and a movie producer. The scene of action is a beach.

Champion Majorette To March In Mammoth Memorial Day Parade Here

Little Ruth June Holton, national champion high-stepping majorette of the Veterans of Foreign Wars, will add her talents to the Memorial Day Parade, May 30, according to an announcement by B. J. Sendner, chairman of the Memorial Day committee of Old Glory Post, No. 2044, V. F. W., which is sponsoring the patriotic ceremonies.

Applications are said to be pouring in for places in the parade, which promises to be the biggest ever held in Daly City. The Daly City band, under the direction of George Brenner, will give the parade what no such event can do without—lively music to march to.

Plans for the ceremonies at Vista Grande park, which will conclude the day's observances, are going ahead rapidly, according to Sendner. The Memorial com-

mittee is assisted in its planning by James Ferguson, principal of Jefferson Union high school, R. L. Crane jr., superintendent of the water department.

Police Chief James G. Reardon states that he will start the parade at 10 a. m. sharp. All participants are requested to be at the starting place—Mission and Acton—at 9:45 a. m. Old Glory Post degree team will march the various entrants to their allotted places in the parade.

Old Glory Post Commander Peter Sunseri and Past Commander K. V. Doolin, and the entire membership, are working night and day, according to Sendner, to insure the success of the patriotic exercises.

Those wishing to be given places in the parade may call B. J. Sendner, South San Francisco 690.

Daly City Post, American Legion, Aids In "Come Of Age" Program

Daly City Post, No. 410, American Legion, will supply transportation to all those going to the "Come of Age" program in Burlingame Sunday, May 18. Those wishing to go will meet on that date at 1:30 p. m. at Legion hall, 474 San Diego.

The program is part of a national movement supported by President Roosevelt and high governmental and educational figures throughout the nation. The Daly City Post is cooperating with the Americanism committee of the twenty-sixth district, American Legion, which is sponsoring the county program.

The "Come of Age" ceremony will be held at Burlingame high school, Sunday, May 18, at 2:30 p. m. At this patriotic meeting all young people who have become 21 between May 11, 1940 and May 11, 1941 will be honored at a ceremony not unlike that experienced by foreign-born persons receiving their citizenship papers.

According to Legion officials, naturalized foreign-born citizens frequently have a better conception of what citizenship means than do native born individuals

who acquire citizenship automatically.

It is to bring emphasis to bear on the importance of "coming of age" that this program is devised. All those young men and women who fall into the age group indicated are asked to phone their names and ages to James B. Hughes, 134 Moltke street, Elridge 1130, or Arthur H. Quirmbach, 449 Willits street, Randolph 5739. Hughes is chairman of the "Come of Age" committee, assisted by Quirmbach. Other members will be chosen in the future.

The program at Burlingame will consist of singing "America," a speech explaining the purposes of the meeting, reading of part of the Declaration of Independence and part of the Gettysburg Address, reading of the Constitution preamble in concert, the main speech, the Constitutional Oath to be delivered to the group by a judge, and the awarding of citizenship certificates.

Those receiving the certificates are asked to express their allegiance to the United States, and the governmental and social ideals which such an allegiance involves.

Local Services Save Two Lives

Two Daly City services were instrumental in saving the lives of a pair of San Francisco junior college students last week.

Robert Schlesinger, 22, 303 Lake street, San Francisco, and John Linville, 21, 1701 Allston Way, Berkeley, rescued at Shelter Cove after they had been submerged for about twenty minutes, were rushed to Villa hospital by Daly City ambulance. There they were placed alternately in the iron lung.

The treatment was so successful that one of the boys left the hospital the next day, and the other after three days.

Al Garibaldi, whose ambulance transported the boys to the hospital, was commended by Joe Sarto, managing owner of Villa hospital, for his treatment of the unconscious boys on the way to the hospital. Special care was taken to lay them on their stomachs, and this, according to Sarto gave them a much better chance to pull through.

Schlesinger and Linville became exhausted when they swam

Attended by more than one hundred enthusiastic young people, the dance held, Friday evening, at the recreation room of General Pershing grammar school was counted a success.

The dance was sponsored by the General Pershing P.T.A. and supervised by the Daly City WPA Recreation department. The dance was for grammar school children. Chaperones were members of the P.T.A. and the recreation department.

NEW SOCIETY

Have you heard? Jefferson has just authorized the organization of a Naturalist Society. On April 22, Carol Bryant appealed for a charter to start the society. After the members of the executive board heard their proposed constitution they approved the granting of a charter.

Officers of the society include John Mosman, president; Esther Hanel, secretary; Carol Bryant, corresponding secretary. So far the society has a membership of twelve Jeffersonians, with Edgar Smith as faculty advisor.

Members of the society have already taken several field trips and are now planning to visit Yosemite, Memorial Day weekend. Several faculty members and their wives will accompany the group.

J. C. DAY

High seniors visited San Mateo junior college, last Tuesday, and saw at close range what college life is like.

Lunch was served and a dance in the gym was held, honoring the seniors.

JOURNALISTS

Members of the Totem Pole staff were guests of Clive M. Saiz, journalism instructor, and Mr. Stenhouse, last Monday afternoon. The group enjoyed a discussion of Stenhouse's collection of Oriental objects.

Refreshments were served after the group surveyed Saiz's rare collection of first editions.

Those enjoying the day included: Dina D'Elia, Dorothy Hammer, Mrs. Effie Andersen, Melba Nelson, and Mary Giusti.

EXECUTIVE BOARD

Last Tuesday's meeting was postponed until yesterday due to the fact that the majority of the board spent the day at San Mateo junior college.

John Razzari called his meeting to order yesterday morning at 8 a. m. The secretary read the minutes and a report on clean-up week was made.

GOOD TSEE

John Domecus handing out tickets in assemblies; Mary Heywood

closing assemblies; Dante Lembi and his Indians of Rhythm; George Percival playing his fiddle; Roy DeVincenzi slapping his bass-fiddle; Rose Saragusa singing "I Hear a Rhapsody;" Ray Garibaldi working the curtains during assemblies.

PUBLIC SCHOOLS WEEK

Most outstanding display for Public Schools Week proved to be the combined display by the dramatics and art classes. A huge layout of theatre makeup and pottery was quite interesting.

A window display on Hawaii by Roy DiVincenzi proved to be popular. Other displays of flower arrangements and art drawings received honorable mention.

ASSEMBLY

The student body was honored by a visit from the famed woman jurist, Judge Theresa Meikle, yesterday. The students were quite impressed by Judge Meikle's talk.

SENIOR EDITION

Today Clive M. Saiz announced his staff for the June edition of the Senior edition. The staff includes John Domecus, editor-in-chief; Betty Coen, assistant editor; Lorraine Anderson, Eugenia Filios, Mary Heywood, Ann Plate and John Razzari, assistants.

In charge of sketches for the book will be Robert Michelson, Bill Humphrey and Robert Bybee.

Music

Last Tuesday's open house was finished off to a "T" by the

fine performance of Dante Lembi's Indians of Rhythm.

Those taking solo parts in the program were: Tillie Castro, Lawrence Caserza, Bob Seiler, Harlan Ferrando, Lorraine Vernazza, Ralph Shinazy, Ardis Halton, and Bob Dyer.

Ralph Capps tap danced to the tune of "You Walked By." Ester Hanel presented a clever acrobatic dance.

Last selections on the program were presented by the cowboy band. Keith Fretwell sang "I'm a Faithful Fellow." Daizy Yonan sang "Mama Yo Quierr."

George Percival and his fiddle were the main attraction in the

cowboy's Ho-Down. Lawrence Caserza sang "Mexicali Rose."

CHORUS

Oscar Busch and his chorus are busy preparing a program to be presented to the students some time during the month of May. "This program will be more on the popular side," said Busch.

The two selections which the chorus is practicing now are "Amapola," a Spanish number, and "Blue Danube" by Strauss.

TENNIS

Reuben Krogh, instructor for boys' tennis, announced today that a tennis tournament will be started between the Jefferson boys this week. First game was scheduled for yesterday.

Campus Fashions

With Spring just around the corner, it's time for you girls to invest in a new summer hat. Below are found just a few of the many suggestions for new and alluring hats. These curl catchers are suitable for church, tea or dinner.

Every variety of flower known to botany has been drafted to ornament hats, inspire prints for fabrics and dress up belts.

For restaurant wear a darling topper has been fashioned out of

a skull cap of green leaves and sprayed with roses, gardenias or jonquils.

The intriguing part of these hats is that you can have several arrangements to harmonize with your favorite costumes. All you have to do to give the appearance of owning a different hat for every occasion is to change the flower spray ever so often. Fresh flowers look simply stunning and they give a natural "Springtime" scent that can't be bought in bottles.

Pompadour pillbox is the most popular hat for the high school girl. Sweetest one on the market is designed of white faille and trimmed with pink and red silk roses. To hold the hat on the back of your curls are yards of moss green maline tied under your chin.

This week's fashion bouquet goes to a very pretty little Miss with coal-black hair and dark brown eyes. What your reporter wouldn't do for her natural curly hair!

She was cute as she could be in a bright red jacket, plaid skirt, and matching red socks.

She is a high senior, plans to attend San Francisco State college upon her graduation in June, is secretary-treasurer of the popular club, Stardusters, and president of her senior class. Of course, you know who I mean. She is none other than Miss Dina D'Elia.

Autos Inspire Women's Styles

FABRIC and dress motifs inspired by the modern automobile are the latest in women's fashions and are being featured in shops throughout the country this spring. Upper left, a new apron dress in the steering wheel print, upper right, the headlight turban with matching scarf. Lower left, a little

hat in the steering wheel print, lower right, a smart dinner dress in the "fireball" motif with red rockets flaming across a white ground. Designs are based on style and engineering features of the 1941 Buick car, picked by the fashion creators as most representative of the automobile industry.

"HE SAVES MOST NOW WHO SPENDS ENOUGH"

THERE'S a rule for your guidance you may not find in the copybooks — but that doesn't subtract one whit from its truth.

Because when you buy a new car this spring you want one that will see you through many a summer.

So while you're trading it's good sense to trade up — up to something solidly good through and through.

Trade up, for instance, to the FIREBALL power of Buick's more efficient valve-in-head straight-eight.

Trade up to the thrift of Compound Carburetion† — exclusively Buick's, and as much as 10% to 15% more economical of gasoline than last year.

Trade up to a splendidous big Body by Fisher — to Buick's all-coil

springing that is forever cushiony yet forever free from service attention — to stout, ride-steadying torque-tube drive with nothing about it to go wrong.

Buick's bodies are roomier, its frames huskier — its steering gears go three to four times as long without adjustment and its main bearings have half-again the service life in them.

Things like that really count these days — yet they're yours in a Buick for a trifle more at most than you'd spend in any event.

Go call on your Buick dealer now!

†Available at slight extra cost on some Buick SPECIAL models, standard on all other Series.

Human Head Sacred

In the Fiji islands, the human head is held to be sacred and it is an insult to reach above the head of another person. Women in consequence crawl on their hands and knees when men are at leisure inside a house. Persons who have been insulted are likely to commit suicide to eradicate the shame.

A Toast to Mother

By BETTY BARCLAY

Here's a toast to mother and here are some ideas for those who feel like giving "Mother" a delightful surprise on her own day:

Ham with Orange

(Serves 6)

6 servings fried ham (about 1½ pounds)
2 tablespoons flour
2 cups orange juice
Parsley
2 to 3 oranges for slices
Fry ham. Add flour to 2 tablespoons of fat from frying ham. Cook until lightly browned. Add orange juice, stir well to avoid lumps. Cook 5 minutes or until sauce is thick. Pour sauce around ham on serving dish. Garnish with parsley and orange slices.

Limas Manhattan

2 cups cooked, dried Limas
1 medium onion, sliced
½ teaspoon salt
½ teaspoon paprika
¼ teaspoon mustard
1 cup diced salt
1 cup milk

Mix ingredients in order given and turn into a buttered dish and bake 1 hour in a moderate oven (350° F.).

Hawaiian Velvet Cream

1 oz. (2 tablespoons) granulated gelatin
½ cup cold water
½ cup hot milk
½ cup sugar
½ teaspoon salt
2 eggs
1 cup whipping cream
1 cup canned unsweetened Hawaiian pineapple juice

Beat egg yolks slightly. Add sugar and hot milk gradually. Place in double boiler and cook until mixture coats the spoon. Add gelatin, which has been softened in cold water. Stir until dissolved and cool. Add pineapple juice gradually, stirring constantly. When mixture begins to thicken, fold in whipped cream and egg whites, which have been beaten until stiff but not dry, with the salt. Pour mixture into a mold, chill until firm and serve with red strawberry sauce (fresh strawberries crushed with sugar to sweeten.)

Yield: one quart or eight servings.

Mother's Delight

1 package vanilla rennet powder
1 pint milk (ordinary or homogenized)
4 or 5 canned apricot halves

Make rennet-custard according to directions on package. When ready to serve top each rennet-custard with a canned apricot half, rounded side up.

Raspberry Snow Cream

If Mother has a sweet tooth, you might surprise her with this delicate Raspberry Snow Cream, made of quick-frozen raspberries. Even if Mother gets dinner herself, she will like this choice of dessert, for all quick-frozen fruits, vegetables and fish are cleaned and trimmed before quick-freezing seals in their flavor and vitamins, and they come to you all ready to cook or serve.

1 box quick-frozen red raspberries, thawed
1 egg white
4 tablespoons sugar
1 teaspoon lemon juice
¼ cup cream, whipped

Separate raspberries; arrange in serving bowl, or individual serving dishes. Beat egg white until stiff but not dry. Add sugar gradually, beating constantly. Add lemon juice and beat until mixture will stand in peaks. Fold in whipped cream. Pile on berries and serve at once. Serves 4.

Spiced Coffee

If you invite some of Mother's friends in on Mother's Day, try serving this refreshing beverage made from decaffeinated coffee. Then hostess and guests can linger over second and third cups, in the leisurely holiday spirit, without worrying over sleeping problems later on.

6 cups double strength decaffeinated coffee
Cracked ice
½ cup whipping cream, whipped
½ teaspoon cinnamon
¼ teaspoon nutmeg

Pour hot coffee over ice in a glass. Top with a spoonful of whipped cream into which the spices have been folded. Sugar may be served with the coffee. The ice cubes are doubly effective if freshly made of decaffeinated coffee frozen in the automatic refrigerator pans. When you make decaffeinated coffee by the pot or percolator method, remember that it needs slightly longer brewing to bring out its full, rich flavor.

Fresh Flowers for Mother's Day

Deep pink roses, yellow snapdragons and milky white anemones make a charming old-fashioned bouquet for Mother's Day. If you are far away and want to show Mother an extra bit of thoughtfulness, you might wire her a baby's porcelain shoe filled with purple violets and white sweetpeas and a novel corsage with a center of deep pink sweetheart roses surrounded by petals of red carnations and white hyacinths. These are just a few of the charming new flower arrangements for Mother's Day that can be wired anywhere in this country and Canada.

Two Games At Jeff Diamond, Sunday

With Leo Massoni and "Curly" Stadleman filling in for Simplex Auto Supply, that team lost a close decision to Glen Park Roofing Sunday at Jefferson Union high school diamond.

The score was 4-2, with the winners getting seven hits, the losers six. Each team committed two errors. Stadleman made one for three at the plate.

In Sunday's second game the Salesian Boys' club defeated the Peninsula Merchants 12-3. Six errors by the Merchants made it a walk-away for the Boy's club.

The winners were credited with thirteen hits, while the losers piled up seventeen.

The games were under the supervision of the Daly City WPA Recreation department.

Perpetual Help Defeats Jefferson

Perpetual Help, Catholic Youth organization, defeated Jefferson grammar school 5-4, Thursday, at Vista Grande field in a close, hard-fought baseball game.

This was the first defeat for Jefferson grammar school in thirteen games. They were held to one hit by Rode, pitcher for Perpetual Help. The winning team collected six hits, two by Core and two by Nassano, who had a perfect day at the plate.

The feature of the game was a spectacular last inning catch by shortstop Louis Valetta, of Perpetual Help. This was a practice game, and a return match has been scheduled. The game was under the supervision of the Daly City WPA Recreation department.

Perpetual help scored three runs in the third and two more in the fifth and last inning. Jefferson rallied for two runs in the fifth, but fell short.

JEFF CHALKS UP ANOTHER VICTORY

Jefferson Union high school chalked up another victory in their third league game, Friday. Sequoia's defeat at the hands of Jefferson's varsity placed the Indians as one of the undefeated teams in the league.

"Friday's game was the best contest yet by the boys," said Albert Biggs, varsity coach. "We took the lead in the first inning by three runs, and with the help of Herb Poddig's steady pitching hand we managed to hang on to it for the remainder of the game," concluded Biggs.

When the Jefferson nine clash with San Jose's undefeated boys, it will prove to be a fight to the finish. This game will probably be one of the tightest in the league this season. Place of action will be the Jefferson Union high school diamond.

Lineup for the varsity included: Valente, third base; Huerta, catcher; Chreisten, left field; LeKoff, first base; Poddig, pitcher; Nava, center field; J. Razzari, second base; Sharp, short stop; Rupert, right field.

FROSH-SOPH

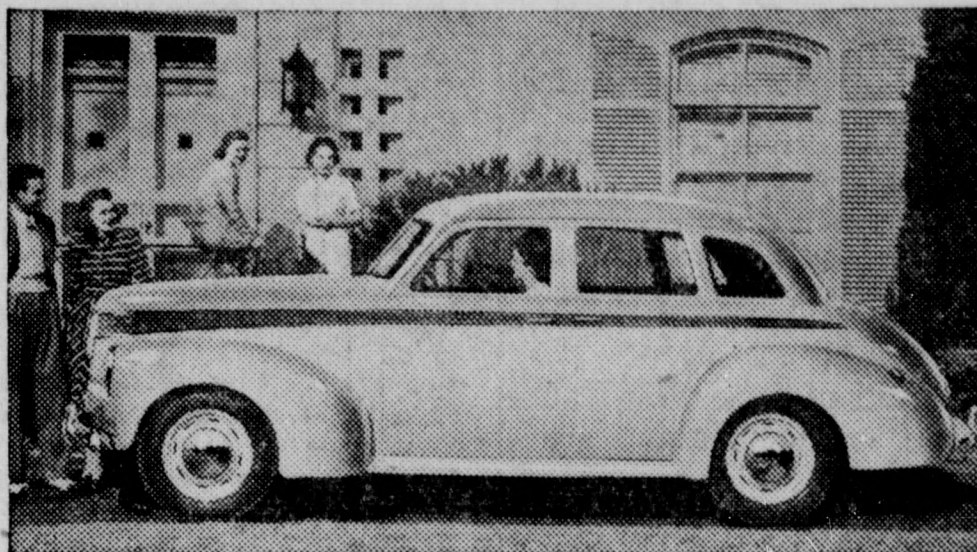

Coming from behind, Jefferson Union high school's little men ran home with a score of 9-5 against Palo Alto. Jefferson managed to be able to hit and run just a little bit better than their opponents.

Those taking part in the contest were: Liebscher, third base; Chreisten, short stop; Freeman, pitcher; Tuvo, catcher; Fazzio, center field; Wright, first base; Dawe, left field; and Aullo, second base. Acting as substitutes were: Petersen, Fellows and Bis-toffe.

Studebaker Champion Enters Third Year

The low-priced Studebaker Champion swings into its third year with a wide selection of sprightly spring colors and two-tone combinations. When introduced, the Champion was billed as "A New Car for a New World." Record-breaking performance and economy records on the speedway, on the highway and in the hands of thousands of owners have proved its right to that title. Pictured is the Studebaker Champion cruising sedan. There is also a club (two-door) sedan and a choice of three coupe models.

Jeff Cindermen Qualify For Finals

Competing with six other local Bay-area high schools in the P.T.A. trials, Jefferson Union high school's cinder men managed to place with twelve eligible runners. These boys will run in the P.A.L. finals, Saturday, in Stanford university's cinder bowl.

The crucial trials were held in Angell field at Palo Alto, Friday and Saturday. Those boys eligible for Saturday's finals are: Albert Chelone, Robert Bybee, Newton Kile, Clyde McAndrews Joe Becker, Fred Peters, Henry Steel, Ed Brisneo, Ed Bettencourt, Jack Faulk, Oscar McGrath and Frank Coen.

Jefferson will also have ten relay teams and an unlimited relay team entered in the meet.

Winners of Saturday's contest will be eligible to enter into the NCS finals in Vallejo, May 17.

Perpetual Help Ties For First Place

Perpetual Help Grammar school baseball nine climbed into a tie for first place in the Peninsula Catholic grammar school league by thumping St. Bruno's 10-4, Saturday.

Perpetual Help was also credited for a previous game, which they lost 9-7, when it was discovered their opponents had been playing with ineligible men on their team.

Playing on the Perpetual Help team are Captain Jack Musante, Gene Klingler, John DeMetris, George Valente, Billy Nassano, Ed Denning, John Savage, Charles Christian, and Jack Ferro.

Batteries for Saturday's game were, for Perpetual Help, DeMetris and Valente; for San Bruno's, Rosen and Lena.

Swedes First

The Swedes, coming from a log-house country, built the first log cabins in Delaware in 1638. The Pennsylvania Dutch and the early Irish later made them popular.

Opening with the proverbial "bang," the latest badminton round robin tournament started, Friday evening, at the Jefferson Union high school gymnasium. The competition included only mixed doubles teams.

Eleven teams started and played four rounds. Only one team with scheduled games failed to show, due to illness.

The tournament will end June 20.

There will be five local badminton players to enter the championship play in San Francisco, May 9 to 11, at Stanyon and Page streets.

Standings of those entered in the tournament are:

WE LOVE TO TELL THE STORY

Most Californians, in the opinion of most non-Californians, are insufferably proud of their State and gratuitously vocal about its fine points. It's a pleasure when a definitely out-of-State source spreads the good word for California, particularly when that source is considered unimpeachable, like Dr. Edward L. Thorndike, noted Columbia University psychologist.

"California outranks all other States in 'goodness'," says Dr. Thorndike, "topping Connecticut, Washington, Massachusetts, Minnesota, New Jersey, New York and Oregon in that order." The latest scientific test for 'goodness' was applied to all the States along 37 different lines including illiteracy, poverty, homicide rate, prevalence of radios and telephones, per capita expenditures for public health, education, libraries and museums.

Through the years such tests are repeated, proving again and again what any good Californian can tell a scientific searcher for goodness right off-hand—that this State tops all the rest, easily. But California loves the story and will be delighted to go on telling it as long as doubters remain, scientific searchers ask and printers' ink holds out.

"I AM AN AMERICAN"

The time when freedom could be taken for granted has passed. Peace-loving nations, strictly minding their own business and devoting their energies to social progress and the welfare of their citizens have, in recent years, been struck down and their freedom with them.

In some instances, they were crushed by sheer military force alone. In others, being divided among themselves, they paved the way for the enemy to drive his attack through their own disunited ranks—an attack that was first led not by tanks or bombers but by ideas. These ideas, which proved such effective weapons against nations which took their freedom for granted, promoted notions of false security, incited internal conflicts between labor and management, between the government and the governed, between races and religions, between one economic or professional group and another, in a word, wherever there was a chance of creating disunity of spirit or will.

There is proof that this nation is determined to avoid this camouflaged road to disaster. American Citizenship Week, being celebrated May 12 to 18, emphasizes that one phase of defense in which 130 million citizens have a job, and this is the necessity of standing together to preserve the heritage of freedom in which all share—their right to worship freely, their freedom of speech and assembly, the freedom of the press and of petition.

In many cities on May 18, "I Am An American Day," citizenship oaths will be administered to thousands of young men and women who, having reached their twenty-first birthday during the past year, are now full-fledged citizens. There will be special ceremonies as well for those who have become citizens by adoption during the past year.

In a world where the lights of freedom are in eclipse, none can afford to take liberty for granted. It must be cherished by all the millions whom high good fortune enables to say, "I am an American!"

ARE YOU TWENTY-ONE?

If you have reached the age of 21, between May 10, 1940 and May 11, 1941, Daly City Post No. 410 urges that you attend the "Come of Age" program in Burlingame, Sunday, May 18. Full details of the ceremony are to be found in this week's paper; see page 1.

In any event, you are asked to fill out the brief questionnaire below and mail to James B. Hughes, 134 Moltke street, or to A. H. Quirnbach, 449 Willits street.

ALWAYS A GOOD LAUGH BETWEEN FIGHTS!

They're forever battling, this crazy couple portrayed by Robert Montgomery and Carole Lombard in RKO Radio's "Mr. and Mrs. Smith," but they are gaily happy once truce has been declared—and here we have them in hilarious mood in the delightful comedy directed by Alfred Hitchcock from the original story by Norman Krasna. It will be shown at the Daly City theatre for three days, starting tomorrow.

Police Find Youth, Return Him To Home

Charles DeMartini 13, missing from his home, 6085 Mission street, since Thursday, was picked up by Police Chief James G. Reardon and Officer W. W. Sunderland in front of Crocker school, Sunday.

DeMartini would give no reason why he left home. According to police, he had been sleeping around town, in basements, and other places, since he ran away.

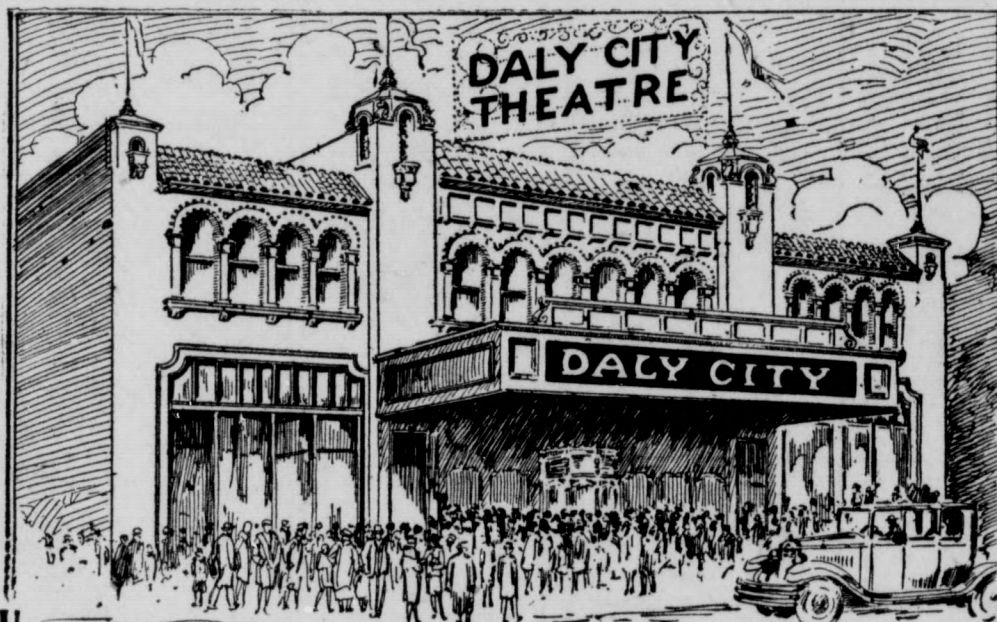

He was returned to his aunt, Mrs. Kaufman, with whom he is living.

My Week by **Eleanor Roosevelt**

Across the Nation:

The sun shone when we reached Peoria, Ill., from Washington en route to Chicago and then, after a press conference, I went out to see one of the housing projects built under the U. S. housing authority. Everyone with whom I talked, had the highest praise for Mr. Nathan Straus and the work which has been accomplished under his leadership. The particular project which I saw was practically completed, except for the landscaping.

There are two types of buildings, three story apartment houses and two story small houses. The rents are remarkably reasonable, far below the average for substandard housing in Peoria. I am sure all the officials are very pleased with what has been accomplished.

Later, I met the staff of the WPA for the district. I was very much interested to hear an account of the Workers Service project, which has just been operating during the past two months. They have set up centers of information for the workers, and they seem to have been able to make these centers very useful in the short time they have been open.

A number of the British Relief people, among them two small girls dressed in Scotch kilts, came at five o'clock to shake hands with me. I was glad to see Mrs. Johnson, who remembered having entertained the President and me in the 1920 campaign.

After the lecture in the evening, I attended a small reception. We boarded the train a little before midnight, arriving in Chicago early in the morning.

At noon, we started across the continent, bound for Los Angeles.

'WIDE OPEN SPACES'

We awoke the next morning to find ourselves some 7,000 feet up in the mountains, where the state of Colorado and the state of New Mexico join. A driving rainstorm, at times turning into snow, was with us all day and in places really deep snows covered the ground. We saw miles of prairie powdered with snow and have passed many, many cattle and sheep; none of them looking too happy at this last burst of winter.

The houses are so far apart in this part of our country, one cannot help but think that it requires a different quality to live and to be happy where so much of the time must be spent alone. Even the immediate family of a woman must leave her many lonely hours, for they go to work or to school. The man who earns a living out here must spend much time alone. Even the youngsters must have occasions when they know what it is like to see no other human being anywhere in sight.

It must be hard sometimes, and yet I think it must give one a sense of self-reliance. Perhaps the nearness to the soil and the great outdoors puts iron into their souls.

RECENT READING

I have read the American Red Cross report on war relief, and I think we can be proud of the record that the help made available by and through the Red Cross up to March 1 totaled in value \$22,981,942. I was glad to note that relief to Finland had increased last month, but I was extremely sorry to note in the papers that a shipload of Red Cross supplies bound for Greece had come to grief on its voyage. Somehow, one feels that no Red Cross supplies should be war casualties.

There is a new quarterly magazine called "The Land," published by "Friends of the Land," which should be on everybody's table. It is a magazine which hopes to make us all conservation conscious, because people go down and come up with their land, and ours needs to be conserved.

Finally, I read a pamphlet called "Britain Under Fire." It is a collection of articles written by John Cowles, president of the Minneapolis Star Journal. I have read some before but gathered together in this way, they make impressive reading. One of them in particular interested me. It is called "What Will The Peace Terms Be?" I think these two paragraphs are worth

Don Funge Completes Marksmanship Course

Selective service trainees of the Eightieth Infantry Training battalion at the Infantry Replacement Training Center, Camp Roberts, California, completed their course in rifle marksmanship this week. Sixty-five per cent of the men, most of whom never had seen a rifle six weeks ago, made a qualifying score. There are more than 1000 men in the battalion.

Don L. Funge jr., son of Mrs. Diva Funge, San Pedro avenue, Colma, was among those who distinguished themselves by qualifying as Sharpshooters.

The next weapon which members of the Eightieth Battalion will learn to fire is the Browning automatic rifle.

Smoking Dog

One of the reasons Spokane County Superior Judge Fred Witt would not consider appointment to the Supreme court for which he was recently prominently mentioned was that his wife preferred to remain in Spokane. And one of the reasons that Mrs. Witt preferred to remain in Spokane was that she feared the change of climate might not be good for her 10-year-old pet fox terrier Tiny. Tiny is a fastidious animal in that he cannot start the day, Mrs. Witt says, without a cup of coffee well seasoned with sugar and cream, after which he demands a cigarette.

much thought on our part:

"English trades unions and labor party leaders, who are co-operating completely with the Churchill government, have as one of their basic aims the re-establishment of strong, free trades unions in Germany as a bulwark against future militarism.

"To attain this end, they say Britain must help build a sound and thriving national economy in post-war Germany."

'TRUE COMICS'

There is a comic magazine, which everyone of us with youngsters who like to read the comics, should hail with joy. It is "True Comics," published by the Parents Institute. Its quality is assured by the fact that Mr. George J. Hecht is the president and publisher, while the editor is Mr. David Marke. Junior advisory editors Janet Cantor, Gloria Jean, Mickey Rooney, Shirley Temple and Virginia Weidler ought to be able to help make this a really good comic magazine.

Pershing P.T.A. Installs Officers

At an impressive candle light ceremony, new officers of General Pershing P.T.A. were installed, last Tuesday afternoon at Pershing school. Installing officer was Mrs. Hilda Bruns, president of the seventeenth district, CCPT.

Newly installed officers are president, Mrs. Mildred Rasor; honorary vice-president, Mrs. Alice Ryan; vice-president, Mrs. Ruth Canier; recording secretary, Mrs. Cathryn Krogh; treasurer, Mrs. Olga Bruchs; financial secretary Mrs. Sophie Evans; corresponding secretary, Mrs. Nell Caine; historian, Mrs. Frances Haussler; auditor, Mrs. Caroline Conroy; parliamentarian, Mrs. Virginia Davidson.

Last Tuesday's installation was preceded by the annual teachers' luncheon. In charge were Mrs. Ann Eason and Mrs. Ilda Marquis.

Outgoing officers gave their yearly reports at the meeting. Mrs. Davidson, outgoing president, made her report for the year and thanked all the officers and chairmen who had made her year a pleasant and successful one. The members presented her with a lovely gift—a beautiful banquet cloth with a buffet set to match and a spun glass centerpiece for flowers.

The district convention was reported to the group by Mrs. Rasor, Mrs. Eason and Mrs. Marge Woodside.

Distinguished guests at the installation included Mrs. Fred Watts, unit counsellor; Superintendent and Mrs. R. L. Crane jr., WPA Recreation Director Bruce Boynton, Mrs. Mitchell, WPA Recreation instructor at Pershing school; the incoming and outgoing presidents of Jefferson Union High School, Colma, Crocker and Woodrow Wilson P.T.A.'s.

General Pershing P.T.A. was represented at the opening of the P. T. A. State convention at Oakland, yesterday, by Mrs. Rasor, Mrs. Davidson, Mrs. Marquis and Mrs. Woodside. Tomorrow, Mrs. Rasor and Mrs. Canier will attend, and Thursday, Mrs. Rasor and Mrs. Haussler.

Matoaka Council Plans Joint Dance

A dance given jointly by Matoaka Council No. 18, Degree of Pocahontas, Improved Order of Red Men, and Miantonomah Tribe will be held May 16, at Redman hall, 240 Golden Gate avenue, it was announced by Mrs. G. Olive Hoover, publicity director.

Miantonomah Tribe paid Matoaka Council a surprise visit at a recent meeting. They were admitted in a body. It had been many years since they had paid Matoaka a visit. Sisters Johanna Reilly and their Wenonah Zita Eiermann were the speakers.

Whist will be played tonight at Yosemite hall, 110 Page street, at 8:30 p. m.

The members of Matoaka Council, No. 18, expressed their sincere sympathy with Pocahontas Leona Yakel on the loss of her father, Robert Emmons, in Pacific Grove.

The meeting of April 23 was presided over very ably by Wenonah G. Olive Hoover. It was Sister Hoover's first meeting in three weeks because of the illness of her daughter.

The evening had been arranged by the committee as an imaginary trip to Mexico, depicting the night life of the various cities. Brothers Frank Costa and A. Ray Zanetti helped the committee by taking charge of two games. Sister Mary D. Hamilton took care of two gambling devices; Sister Sophie Moeller, assisted by Sister Marjorie Abbott, passed out the drinks. Sister Patricia Schaefer was in charge of the race horses. The enchiladas made by Sister Ruth Knight were pronounced delicious.

Recreation Leaders

Take Other Positions

Franklin Ny and James Brady, both formerly Daly City WPA recreation leaders at Jefferson Union high school, have accepted positions with the Eastman Kodak company in San Francisco, announced Bruce Boynton, Daly City WPA recreation director, this week.

This leaves, temporarily, only three recreation leaders to assist Boynton in carrying on the duties of the recreation department. The leaders take care of the supervised recreation at Jefferson Union high school, Vista Grande park, and General Pershing.

Veteran Firemen Initiate Two Members

Daly City Veteran Firemen held their regular monthly meeting, Friday, at 188 Santa Barbara avenue, initiating A. L. Sunstrom and F. F. Mather, of Company No. 4, into the organization.

All were glad to see several members who have been absent from recent meetings.

Comrade A. L. Hilton was present, as was Comrade Past President P. Valente. Past President A. J. Gaggero reported Comrade A. Silicini improving. Chaplain F. W. A. Rickmann reported that Past President F. Hanson was about the same.

It was learned that C. A. Bradford is ill. Comrade M. Johnson, who was absent, sent an excuse. Comrade L. M. Devencenzi drew the lucky number, and had a pleasant smile for all. Past President A. Vireno reported.

The committee on Memorial Day reported progress. Comrade Hilton reported Comrade J. Dalton improving. Stories were told by Comrade Rickmann, Past President P. Valente, and Comrade William Goldkuhl, sr.

Attention was called to members not to forget the meeting, June 6. After the regular business, Comrade J. Hesslein arranged a buffet supper, which was enjoyed by all present. The meeting was reported well attended by association members.

Form Peninsula
Cinema Club Here

Increasing public interest in photography, especially moving picture photography—has brought about the formation of the Peninsula Cinema club in Daly City.

The purpose of this organization is to give those interested in moving picture technique and methods a chance to come together and pool their common knowledge and enthusiasm for the subject.

The club has been started by Gene Keagle, well-known Daly City man, and already numbers half a dozen members. Stanley Cerf is vice-president; secretary is Ted Hopman; and the post of treasurer is filled by John Hulme.

The club officers are offering an invitation to all who have an interest in cinematographic photography—in other words, those who like to take moving pictures—to join the organization.

Next meeting will be Thursday, May 15, at 64 Wilson street. At last meeting colored motion pictures were shown by Hulme of Boulder Dam and Death Valley.

Seventh and Eighth Grades

Seventh and eighth grade students of Jefferson school not only study from textbooks for their information but also consult Mother Nature. These two grades recently went on a field trip to study wild flowers, weeds and the dispersal of seeds.

The hills behind Daly City furnished a vast storehouse of material—more than could be found in textbooks, stated their teachers.

After their destination was reached, the class held an outdoor lesson in nature study. The students classified wild flowers and weeds into families. They studied their habits and the soil in which they grow. Others gathered seeds and discussed their dispersal.

FIFTH GRADE

Jefferson's fifth grade spent last Monday afternoon in the museum at Golden Gate park. Most of their time was spent studying models of old and modern ships.

There were many excellent models of ships that the children have discussed while studying their unit on "Transportation." The best known were the U. S. S. Constitution, the Gjoa and the clipper ship, "Flying Cloud."

This week the students are drawing illustrations showing progress of transportation from early days to modern times. They will present their pictures in the form of a movie. Talks will be given explaining the illustrations.

ROOM 4

Creating a good deal of interest in Room 4 has been the colorful frieze pertaining to "Slavery and the Civil War." Beginning with the introduction of slavery in 1619, the picture portrays events leading to the Civil war, flags and uniforms of the Union and Confederacy, and leading statesmen as well as the outstanding generals of that time.

Two outstanding pictures of the large frieze were "A Slave Auction" made by Bruno Greci, and "The Battle of the Giants" by Frank Devlin.

ROOM 8

Little Beverly Currier, who has been a student of Woodrow Wilson elementary school for six years, recently transferred to San Leandro.

ROOM 9

The children of Room 9 were very sorry to see Marilyn Schlocker and Mary Ogden transfer.

FIRE DRILL

Students of Crocker school set a new fire drill record, last Monday afternoon. At the sound of the fire alarm, every student acted promptly and the entire building was cleared in 41 seconds, stated the teachers. This is quite a record, they explained.

ROOM 6

Wednesday morning the pupils from Room 6 enjoyed three pictures. They not only proved to be quite helpful in their unit work, but were also entertaining and interesting.

ROOM 2

Boys and girls of Room 2 are enjoying their study of "The American Pioneers." Many pupils have brought interesting articles which were used by the early American people.

Mrs. Fellows Pays Official Visit

When Mrs. Madeleine Fellows, grand arch druidess of the State of California, made the official visit to her home circle, Hillcrest Circle No. 143, U.A.O.D., more than 350 officials, members and friends were on hand to greet her. The Blue Room at Masonic temple was the scene of the ceremony, which marked Mrs. Fellows' last official visit of the year.

With Mrs. Fellows was her staff of grand and past grand officers.

The ceremony opened with a solo by Miss Dorothy Fretwell, accompanied by Miss Diana Gard. A team of eight girls in old-fashioned costumes, carrying wreathed hoops preceded a second team of members dressed in white and carrying large arm bouquets of lilac. This group escorted Mrs. Fellows into the room where she was presented to the assembly by her mother, Mrs. Victorine Lombard. Little Jacqueline Poket then presented the grand arch druidess with three orchids on a satin pillow, and led her to the seat of honor by Arch Druidess Hazel Keagle.

Mrs. Lombard, mother of the grand arch druidess and of Hillcrest circle, was presented by Past Arch Druidess Lillian Prescott and the team in white. The members sang "Our Mom."

All grand circle, grand grove and grand chapter officers were presented. A large class of candidates was initiated, seventeen from Hillcrest; seven from Hacienda Circle No. 159, one from Asta Circle No. 168. They were initiated by the degree team under Captain Minnie Bernardi.

After the election of officers for Hillcrest circle, gifts were presented by the circle to the grand arch druidess, to District Deputy Minnie Lino and to several members of the group. Friends of the grand arch druidess also presented a number of gifts.

Following the meeting, the group adjourned to the banquet room where tables had been beautifully decorated in the South Sea Island motif.

The following grand officers attended: Mrs. Fellows, grand arch druidess; Mrs. Minnie Lino, district deputy for Hillcrest circle and grand first bard; Mrs. Josephine Ghilarducci, grand second bard; Mrs. Eleanor Hellman, grand secretary; Mrs. Mathilda Bennett, grand treasurer; Miss Speranza Camous, grand conductress; Mrs. Mary Chiama, grand guard; Mrs. Dora Meyers and Mrs. Ruth Ely, grand trustees; Mrs. Dell Eden, grand organist.

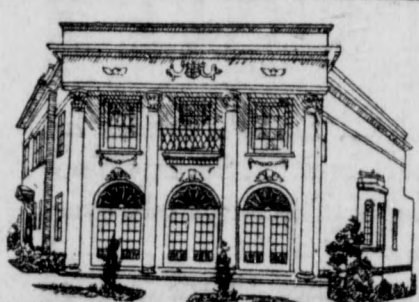

Mrs. Mary Collins, Mrs. Hanah McDonald, Mrs. Mae Lane, Mrs. Sarah Armstrong, Mrs. Anna Chaves, grand arch druidesses; Oliver Francis, grand chief druid; Frank Bush, past grand chief druid; Marcell Merki, grand organist for grand grove; Gustaf Wikstedt and Nathan Morgan, grand trustees of grand chapter; Andrew Camous and M. Maino, past noble grand arches.

Circles throughout the entire Bay area were represented at the meeting.

Installation of officers for Hillcrest circle will be held next Monday evening at Masonic temple.

Auxiliary Announces "Poppy Day" Date

Making of memorial poppies is going forward rapidly in government hospitals and special workrooms in many parts of the country, Hilda Prziborski poppy chairman of Daly City Unit No. 410, American Legion auxiliary, reported today. The poppies will be distributed by the auxiliary on Poppy Day, May 24, to be worn in honor of the World War dead, and to raise funds for the welfare of disabled veterans and needy families of veterans.

Poppies which the local Unit will distribute here are being made at Yauntville, Veterans hospital, under the direction of the California Department of the Auxiliary. The unit is completing plans for a large force of volunteer workers to offer the little red flowers of memory on Daly City streets, May 24. Because of the poppy's patriotic significance, the auxiliary is expecting more to be worn this year than ever before.

Tonight, Daly City Unit 410 will meet at Legion hall at 8 p. m. Plans for a joint spaghetti feed with Daly City Post No. 410 will be discussed. The dinner is set for Saturday evening, May 17,

Book Wear and Tear

WHY TRY TO FAN-OUT THE HEAT?

BE Cool THIS SUMMER WITH ELECTRIC COOLING

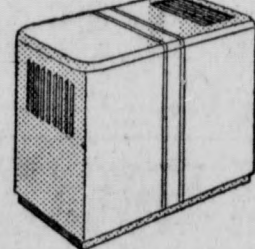

Is it HOT and DRY where you live and work?

Electric Evaporative Cooler

A fan is not much help giving comfort when the air is hot and dry as dust. You stir up the air, perspiration trickles down the back and you just get hotter and dryer. Let an Electric Evaporative Cooler blow a cool, refreshing breeze through the rooms of your home this summer. The Evaporative Cooler is low in first cost and inexpensive in operation. An Evaporative Cooler supplies cool moist air as if blown through a waterfall just outside the window.

Is it HOT and STICKY with heat and humidity where you live and work?

Electric Air-Conditioning Room Cooler

In many parts of California it is the heat plus humidity that makes summertime a season of misery. Steamy heat must be changed to cool, dry air. A fan cannot do this. Only real Air Conditioning by means of the efficient Electric Room Cooler can do this. Inside is a freezing system with fans that draw in hot, humid air, then dry and chill this air and circulate it through a room.

There is an electrical dealer near you who will give the facts about electric cooling.

"Married Men" Win Game, 9 to 1

Five of the six married men weren't married, but they won anyway.

It was a baseball game, Sunday, between members of the Holy Names Society of Our Lady of Perpetual Help church, supposed to be between the married men and the single men.

One man—one lone man—on the married team was genuinely espoused. That was Frank Coughlin. Not to let the name of Married Man be blackened by defeat he produced a nearly perfect day at bat—five for six—and his team won the game 9-1. This was at Vista Grande park.

Playing on the "single men's" team were John Bailey, Ray Valente, Manuel Huerta, John Fitzgerald, Jack Musante, and Ricco Bertini.

On the "married men's" team were Frank Coughlin Carl Bailey, Charles Gleisner, Nick Glavich, Jimmy Coughlin, and Wally Coughlin.
